

A program of: **psbr** Pennsylvania Society for Biomedical Research

Middle School 2024 Essay Contest

OPEN TO PENNSYLVANIA, WEST VIRGINIA and DELAWARE STUDENTS: 6th, 7th, & 8th GRADE
3 WINNERS - \$1,200 in prizes

PURPOSE: To recognize students who demonstrate a superior understanding of the process of biomedical research (including the role of animals in such research) and who can artfully communicate that understanding in writing.

WRITING TOPIC: "WHAT IS BIOMEDICAL RESEARCH?"

Think, Research, Write! Explore the entire biomedical research process; including the role of animals in research, and how it leads to new medical treatments and cures. How does this research improve the health of humans and animals? What are the regulations involved in human and animal research? What methods are used in biomedical research? What are the current and future needs?
